

The Five W's of getting Gold!!!

WHO CARES?

- Parents** want the opportunity to purchase bags/kits that provide them with a tool to make the litter-free mandate practical
- Children** want to make a contribution to their environment while eating lunches that they enjoy
- Principals/Teachers** want to achieve success in the eco-programs they are implementing
- Canadians** want sustainability through decreased litter in landfills

WHAT'S THE HYPE?

- Helps you implement a litter-free lunch environment
- Our eco-lunch program contributes to your school's point accumulation
- Gift certificates for local garden centres for ground greening projects are earned based on overall sales in your school
- Promote optimal learning success with lunches that target all 4 food groups
- Specific compartments including a compact thermal section for better temperature control and safer lunches

WHERE HAVE ALL THE GOOD LUNCH BAGS GONE?

NC products are catching on like wildfire...Ontario schools are starting to brown bag it to save their planet!!!

"After much searching for a source of reusable lunch bags for our school community, we are thrilled to be working with Nutrition for your Condition. Their lunch bags are so attractive that every student in our school is clamoring to buy one. Every parent is impressed with the versatility of the various containers and compartments, and the ease with which they can pack a home-made lunch for their child. As part of our school focus on making a better world, we are pleased to offer our parents such a great system, to ensure their success in packing litter-free and healthy lunches, and our success in reducing school waste." **Elementary School Teacher, Mississauga**

WHY SHOULD I ?

- Reduced packaged goods not only translates into healthier food choices but lends itself to the eat local food movement
- Buy NFYC and have a direct impact on local sustainability through reduced landfill waste
- Buy NFYC and have a direct impact on global sustainability through our AMF program

GO FOR GOLD!

NFYC's Eco Lunch program facilitates success for those schools working toward earning points through the Ontario Eco Schools Certification program.

<p>Implementing a litter-less lunch environment?</p> <p>Good choice to earn points under the "Waste Minimization" category AND earn even more points in a daily waste-free lunch environment under the "Environmental Stewardship" category.</p> <p>Get your parents to jump on board... NC Kits makes it easy, organized and fun!</p> <p><i>"I just love the bag...great storage, love the compartments and love the way the Thermos fits" ~Melita, Halton Hills</i></p>	<p>Earn points under the "School Ground Greening" category: All schools that generate \$500 or higher in sales will earn a \$50 gift certificate to a local nursery to help green their school.</p> 
---	--

Mom Approved!!!

"We purchased three lunch bags and containers from Nutrition for your Condition over a year and a half ago. I bought the extra one thinking I would need it when one of them eventually fell apart. I'm so happy to say that I started using the third one myself as the kids lunch bags seem to be invincible! We usually go through at least two lunch bags a year, we are now into our second year with these ones and they are still going strong. They are extremely durable and brilliantly thought out with many compartments that fit the containers perfectly. They hold a lot but with their low profile don't take up to much space in the backpacks. My kids are in highschool now and are very happy to continue using these bags!" L. Bradshaw, Halton Hills

NFYC Appli-cause Program

	<p>Select the AMF specialty appliqué design (Appli-cause) and 10% of the proceeds of your package choice will go towards the African Millennium Foundation. A non-profit organization that raises funds to support the building of sustainable villages in Africa.</p>
